

2025 SNOWDROPS STUDIO PRICE GUIDE

PROPOSAL

Each wedding flowered by Snowdrops Studio is designed + priced on an individual basis within a bespoke proposal so please consider these prices as an approx. guide + starting point.

PRICING

Our prices are based upon many varying factors for example: setup time, flower costs, labour intensity, + so much more. Our prices are inclusive of VAT; the only additional charge is a 10% service charge on your total balance which goes towards: travel time, fuel, freelance wages, setup + clear down. Please note there is a minimum spend of £500. This is so that we can continue to sustainably deliver designs using the best ingredients that live up to + hopefully exceed our clients expectations!

SUPPLIERS

We use local, artisan flower growers + carefully selected floral products from the Dutch market to ensure that we buy top quality florals that are grown in a responsible, ethical + earth friendly manner as part of our going commitment to being sustainable + to ensure our flowers are as seasonally reflective + the most gorgeous they can be!

We hope this rough guide is helpful + gives you good idea of the services we offer. There are many more design options we can create so if you have something in mind we'll do our best to accommodate + make it happen!

If you'd like to have a bespoke proposal put together for you by Louisa, please get in touch via email to book an initial consultation. Consultations are run over Zoom or in person + last around 25-45min.

Things we'll discuss in your consultation...

- * The overall feel of your day
- * How to use flowers to set the mood for your ceremony
- * Colour palette ideas
- * Which flowers are in season for your wedding.
- * Table styling
- * Your individual style as a couple + how we can reflect this
- * Flowers with sentiment + meaning to you
- * What you love about your venue + how we can enhance these aspects with floral designs
- * How to get the most of your budget
